

Boarding Contract

*For your boarding appointment, you may drop off and pick up your pet from 8am- 5:30pm (Monday-Friday) and 8am-12:30pm (Saturday). Please allow 10-15 minutes for drop off. Drop off and pick up times may vary on holidays.

*Please let us know your approximate pick-up time as it helps us prepare for your check-out.

***Sunday pick up is available from 7:00pm-7:30pm ONLY.** Arrangements for Sunday pick up must be made at the time of drop off and payment must be made at drop off for your entire boarding stay.

*Our hours of operation are Monday-Friday 8am-6pm, Saturday 8am-1p. In addition, our kennel staff cares for our boarding patients Saturday evening and Sunday morning and evening. Staff IS NOT PRESENT at any other times.

* We strongly recommend that you bring your pet's regular diet to eat during their stay with us. Please bring the appropriate amount of food in a RESEALABLE container labeled with name, frequency and amount to feed. Pets brought without food are fed Science Diet Maintenance formula dry food. Keeping your pet on a consistent diet can help avoid gastrointestinal upset.

*We provide bedding for all boarders. Please do not bring blankets, towels, beds or crates for your pet during their stay. We will not accept them.

*If your pet is on medication, we will administer it while they are with us for a small additional charge. (We are unable to administer medication that requires every 8 hour dosing.) Please bring all medication in its original bottle/packaging.

*We will always contact you, or your emergency contact, if a serious medical problem arises with your pet during their stay. By signing this boarding form, you agree to "reasonable treatment" for any minor condition that occurs during your pet's stay with us (for example: vomiting or diarrhea). The doctors will use their best judgement for conservative but appropriate treatment for your pet.

*In order to protect all of our boarders and patients, we require that all animals have current vaccinations. Please email (contact@4pawsat4points.com) or fax (512-335-8916) a copy of vaccine records prior to your pet's drop off date if your pet is not a patient of 4 Paws @ 4 Points. If any vaccinations are due, your pet will be examined and vaccinated at your expense.

* Any pet left beyond 5 days after their scheduled pick up day without expressed contact by owner to extend stay, will become the property of 4 Paws @ 4 Points. You will be responsible for all boarding fees and costs.

*Please let us know about any special behaviors your pet has – escape artist, doesn't care for other dogs, blanket/towel chewer, storm anxiety, etc.

You will be asked to sign this form at your first boarding stay.
